Re: *State of Wisconsin v. Abbott Laboratories, et al.*  
Dane County Case No. 04 CV 1709

Dear Ann:

Pursuant to your call this morning regarding clarification of trial dates, we write to confirm that, pursuant to the governing Case Management Order with respect to the four active defendants, the three trials going forward are: Teva (November 2014); Novartis (February, 2015); and Aventis (April, 2015).

As we discussed, the State of Wisconsin has settled with defendant AstraZeneca, making the July, 2015 trial date unnecessary.

Sincerely yours,

Betty Eberle
