PLAINTIFF’S MOTION FOR PROTECTIVE ORDER  
BARRING DEFENDANTS FROM REQUIRING WISCONSIN  
TO SEARCH ITS ELECTRONIC FILES FOR WHAT DEFENDANTS  
CALL GOVERNMENT KNOWLEDGE DOCUMENTS

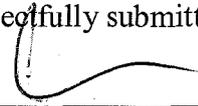

---

TO: All Counsel of Record

The State of Wisconsin moves the Court for a protective order holding that Wisconsin need not search the files of past and present Medicaid employees for documents that solely relate to defendants’ contention that conduct on the part of such employees estops Wisconsin from obtaining a judgment against the defendants.

Dated this 9th day of October, 2007.

Respectfully submitted,

---
